### **HHCSS, LLC BUSINESS OFFICE POLICIES**

**SUBJECT:** Sliding Fee Discount Program

**EFFECTIVE DATE:** September 1, 2021

**POLICY:** To make available free or discounted services to those in need.

#### **PURPOSE:**

All patients seeking health care services at HHCSS, LLC are assured that they will be served regardless of ability to pay. No one is refused service because of lack of financial means to pay. This program is designed to provide free or discounted care to those who have no means, or limited means, to pay for their medical services (uninsured or underinsured).

HHCSS, LLC will offer a Sliding Fee Discount Program to all who are unable to pay for their services. HHCSS, LLC will base program eligibility on a person's ability to pay and will not discriminate on the basis of an individual's race, color, sex, national origin, disability, religion, age, sexual orientation, or gender identity. The Federal Poverty Guidelines are used in creating and annually updating the sliding fee schedule (SFS) to determine eligibility.

HHCSS, LLC will also accept non-related household members when calculating family size.

Adequate information must be made available to determine eligibility for the program. Self- declaration of Income may be used. Patients who are unable to provide written verification may provide a signed statement of income.

7. Discounts: Those with incomes at or below 100% of poverty will receive a full 100% discount for health care services. Those with incomes above 100% of poverty, but at or below 200% of poverty, will be charged a nominal fee according to the attached sliding fee schedule. The sliding fee schedule will be updated during the first quarter of every calendar year with the latest FPL Guidelines.
8. Nominal Fee: Patients with incomes above 100% of poverty, but at or below 200% poverty will be charged a nominal fee according to the attached sliding fee schedule and based on their family size and income. However, patients will not be denied services due to an inability to pay. The nominal fee is not a threshold for receiving care and thus, is not a minimum fee or co-payment.
9. Waiving of Charges: In certain situations, patients may not be able to pay the nominal or discount fee. Waiving of charges must be approved by HHCSS, LLC's designated official. Any waiving of charges should be documented in the patient's file along with an explanation.
10. Applicant notification: The Sliding Fee Discount Program determination will be provided to the applicant(s) in writing, and will include the percentage of Sliding Fee Discount Program write off, or, if applicable, the reason for denial. If the application is approved for less than a 100% discount or denied, HHCSS, LLC will work with the patient and/or responsible party to establish payment arrangements. Sliding Fee Discount Program applications cover outstanding patient balances for six months prior to application date and any balances incurred within 12 months after the approved date, unless their financial situation changes significantly. The applicant has the option to reapply after the 12 months have expired or anytime there has been a significant change in family income. When the applicant reapplies, the look back period will be the lesser of six months or the expiration of their last Sliding Fee Discount Program application.
11. Refusal to Pay: If a patient verbally expresses an unwillingness to pay or vacate the premises without paying for services, the patient will be contacted in writing regarding their payment obligations. If the patient is not on the sliding fee schedule, a copy of the sliding fee discount program application will be sent with the notice. If the patient does not make an effort to pay or fails to respond within 60 days, this constitutes refusal to pay. At this point in time, HHCSS, LLC can explore options not limited to, but including offering the patient a payment plan, waiving of charges, or referring the patient to collections.
12. Record keeping: Information related to Sliding Fee Discount Program decisions will be maintained and preserved in a centralized confidential file located in the Business Office Manager's Office, in an effort to preserve the dignity of those receiving free or discounted care.
